Homework 4: Summary Graphs

Due Date: 10/23/2024

Research Paper Homework Instructions:

Turn the literature review section of the paper into paragraph form.

Using the Lab Section of the Homework please describe what has happened with the graphs:

Add your summaries to your working overleaf paper linked [HERE](#)

Start to think about what research questions you would like to answer. What are similarities between the studies? What are differences?

Python Programming Instructions:

Run through the programming section of class 5 linked below:
