Homework 4: Understanding Dataset

Research Paper Homework Instructions:

Read through at least 1 research paper associated with this lab:

- <https://www.deeddataset.com/#/home>

And provide the following summaries:

- The central research question (what are they studying?)
- The context of the study (where is the study taking place?)
- What type of data is being studied?
- What do the authors find?

Add your summaries to your working overleaf paper linked [HERE](#) (Aley's Paper).

Additionally look for undergraduate journals that you are interested in publishing in:

- https://guides.library.stonybrook.edu/undergraduate_research/journal_list
- Find 3 venues to propose

Python Programming Instructions:

Additionally please run through the class's python notebooks through this folder:
